at the Bar VIRTU of Four Seasons Hotel
Otemachi, Tokyo on May 2, 2023**

Dear Mr. Matmary,

I visited the Bar TRIGONA of Four Seasons Hotel Kuala Lumpur on April 17, 2023 as scheduled, however, you were not at the bar because of your business trip to Italy. Then I will plan to visit Kuala Lumpur again because I would like to hear your comments (voice) on the cocktail "Chairperson" and take a picture with you for my memory and for the record of our academic papers at your main bar on Sunday, June 11, 2023. Fortunately, I am also busy in examining patients as an internal medicine doctor in the Tokyo Metropolitan area, and researching "Sports and Medical Education," and will take a trip to Beverly Hills, Hollywood and Las Vegas on July 6 ~ 12 and Bangkok on October 29 ~ November 1, 2023, and have booked a room at the Four Seasons Hotel Kuala Lumpur on June 11, 2023.

As you know, Mr. Keith MOTSI, Head Bartender of the Four Seasons Hotel Otemachi, Tokyo who holds the bar events inviting famous bartenders from the world every month. I met him at the main bar VIRTU of the Four Seasons Hotel Otemachi, Tokyo on May 2, 2023 and recommended you and Mr. Julian Benjamin Brigget of the "Malaysia's Best Bar" to him to invite you to the event of Bar VIRTU in the future. He said in Tokyo, "I hope many people will come back again and again to treat them with my unique personality and hospitality."

Mr. Matmary, I am looking forward to meeting you at your main bar TRIGONA on June 11, 2023.

Sincerely,

By the way, on April 30, 2023, one of Japan’s major newspapers, The “A” Shimbun Company, published a counterargument against the contents of the academic homepage "Paper on April 17, 2023 (Malaysia)" as part of its article. The following is an excerpt from an interview about “Chat AI and Human Rights” with Professor “Y” of private Keio University. And Mr. “F,” editorial board member (in charge of politics, diplomacy, and the constitution) of the A newspaper company, praised the statement of Professor “Y” of private Keio University in the newspaper.

ところで先月 2023 年 4 月 30 日、日本の大新聞社のうちの一社、A 新聞社 Homepage に 学術 Homepage 「Paper on April 17, 2023 (Malaysia)」の内容に対する反論が記事の一部として掲載されました。以下が私立慶應大学 Y 教授「Chat AI と人権」への Interview からの抜粋で、A 新聞社 F 編集委員（政治、外交、憲法をご担当）が A 新聞の紙面上その論述を称賛されてます。

“Newspapers and televisions are the same in that they are not neutral, but readers can understand their values and read the papers. For example, Japanese know ‘A newspaper has such values,’ so we can adjust our own cognition. On the other hand, although AI should also have ‘bias,’ we don’t know whether AI has bias or not, and how it is biased. It is risky to rely entirely on AI’s answers” (Professor Y of private Keio University, April 30, 2023).

「中立的ではないという点では新聞やテレビも同じですが、例えば『A 新聞はこういう価値観だよね』と読者は理解して読むので、認知を自分自身で調整することができます。他方、AI にも『偏り』があるはずなのに、偏りがあるのか、さらにはどのように偏っているのかを我々は分からない。その意味でも、AI の回答に全面的に依拠することにはリスクを伴います」(私立慶應大学 Y 教授)

This opinion of Professor “Y” of private Keio University (specializing in AI and human rights, etc.) touches on the core of an explanation, “Japanese mass media has overemphasized national University of Tokyo and devoted to private Waseda University and private Keio University and it is too soft on private money-powered backdoor universities (entrance examination brokers and expensive medical education fees)” that I provided to Malaysian people through Mr. Christian Tavelli (General Manager of the Mandarin Oriental Hotel Kuala Lumpur) on April 17, 2023. Just in case, I have written the following again and posted it on the academic homepage “chairperson.jp”. The “A” Shimbun Company published not only this article to praise the statement of Professor “Y” of private Keio University, but also an article on private Fujita Medical University as it were a jester (“*taikomochi*”), and the major newscaster and the commentator deliver the economic news, that there are pitiful Japanese suicides, with a grinning face and saying “*Chatte*” “*Chatte*” like a child without a sense of tension on the TV news program of the affiliated TV company.

Mr. Christian Tavelli
General Manager of
Mandarin Oriental Hotel
Kuala Lumpur

この私立慶應大学教授（AI と人権等がご専門）によられます見解は、先月 2023 年 4 月 17 日 私から Mr. Christian Tavelli (General Manager of the Mandarin Oriental Hotel Kuala Lumpur) を通じて Malaysia の皆様にお伝えさせていただいた「Paper on April 17, 2023 (Malaysia)」の内容「Japanese mass media has overemphasized national University of Tokyo and devoted to private Waseda University and private Keio University and it is too soft on private money-powered backdoor universities (entrance examination brokers and expensive medical education fees) 日本の Mass Media は国立東京大学を偏重し、私立早稲田大学及び私立慶應大学に傾倒してみえ、私立裏口金権大学（入試 Broker と高額な医学教育費）に対して甘くいらっしゃいます」の核心に触れる論述でありますため、念のため私から再度以下論述させていただき、学術 Homepage「chairperson.jp」に掲載させていただきました。ちなみに A 新聞社は、私立慶應大学 Y 教授による論述への本 称賛記事の他にも、Guinness 級の高額な私立裏口金権大学について「太鼓持ち」の記事を出され、系列の TV 局では気の毒な自殺者も少なくない日本の経済 News を「ちゃって」「ちゃって」と緊張感のない経済 Desk がにやついた Newscaster と共に伝えてみえます。

An editorial board member of The “A” Shimbun, one of Japan’s major newspapers, praised the above statement of a professor of private Keio University on its homepage. However, The “A” Shimbun made a mistake as a major newspaper company that provides a great public service. The “A” Shimbun has recommended that junior high school students copy the entire column of The “A” Shimbun by selling a special copy note, however, children cannot understand as readers that The “A” Shimbun has such values as “Japanese mass media has overemphasized national University of Tokyo and devoted to private Waseda University and private Keio University and it is too soft on private money-powered backdoor universities (entrance examination brokers and expensive medical education fees).” The “A” Shimbun should clearly state in advance in its editorials and newspaper columns that “Japanese mass media has overemphasized national University of Tokyo and devoted to private Waseda University and private Keio University and it is too soft on private money-powered backdoor universities (entrance examination brokers and expensive medical education fees).” And other mass media companies including NHK (Japan broadcasting corporation) should introduce each other such value as “Japanese mass media has overemphasized national University of Tokyo and devoted to private Waseda University and private Keio University and it is too soft on private money-powered backdoor universities (entrance examination brokers and expensive medical education fees)” implicitly. In addition, leading major newspapers promote to its readers that high school students should read their newspapers to pass university entrance examinations, but the reality is Japanese high school students who are naïve cannot understand as readers that Japanese mass media has such values.

日本の大新聞社のうちの一家、A 新聞社の編集委員は上記 2023 年 4 月 30 日付の私立慶應大学教授の論述を称賛されてますが、「日本の Mass Media は、国立東京大学を偏重し、私立早稲田大学及び私立慶應大学に傾倒し、私立裏口金権大学（入試 Broker と高額な医学教育費）に対して甘い」偏りがある旨、予め社説、新聞 Colum 欄等で明確に述べられ、また NHK など Mass Media 同士でもその旨お互いまだ紹介されていないにも関わらず、専用の書き写し Note を発売され中学生にも大新聞 Colum 欄のまる写しを勧めてみえるのは、公共性の高い大新聞社としましては間違いです。子供は「A 新聞はこういう価値観だよね」と読者として理解出来ませんため、大新聞社がご自分たちの傾倒された価値観を暗に押し付ける状況になってみえます。さらに大学受験のために大新聞を読むことを大いに PR されてますが、まだ世間を知らない高校生も「大新聞はこういう価値観だよね」と読者として理解出来ていないのが現実です。

And Mr. "F," editorial board member of The "A" Shimbun (in the middle) who praises this professor's statement in the paper of The "A" Shimbun and the Colum of The "A" Shimbun "Tenseijingo" (on the right) which is based on the value that "Japanese mass media has overemphasized national University of Tokyo and devoted to private Waseda University and private Keio University and it is too soft on private money-powered backdoor universities (entrance examination brokers and expensive medical education fees)."

Regarding Japanese Prime Minister Fumio KISHIDA's eldest son, Shotaro KISHIDA, (a graduate of private Keio University), the secretary to the prime minister who was reported that "when Mr. Shotaro KISHIDA accompanied overseas on his father's official trip, he used official cars for his sightseeing and enjoyed shopping" in January, 2023. However, Mr. Shotaro KISHIDA has continued to work as a secretary to the prime minister unlike other secretaries and bureaucrats who would normally be demoted if they work without a sense of tension like him. One of the major newspapers reported after the scandal like "The other secretaries to the prime minister are in the same position as Mr. Shotaro KISHIDA" which is contrast to "Shotaro KISHIDA, secretary to the prime minister set a bad precedent for serving as a secretary to the prime minister." On the other hand, ordinary people in Japan think "It is too funny to describe taking sightseeing photos at tourist spots as 'shooting landscapes to communicate to the world.' If he insists buying souvenirs on behalf of the prime minister would be included among the duties for political secretaries, can he shop anything on his business trip?", "Strict to the Japanese, easy with the son.", "In the first place, it was inappropriate that Prime Minister Fumio KISHIDA appointed his eldest son, Shotaro KISHIDA (private Keio University graduate, who makes many blue jokes) (for the post of secretary to the prime minister at only 31 years old, despite the criticism of "mixing public and private).", "It is clear that he lacks a feeling of tension toward the heavy responsibility for supporting the leader of a country (secretary to the prime minister).", "Like father, like son." It is a bad precedent of Japan, "**Stupid son and Doting parent**" that people in Malaysia should not follow. Secretary Shotaro KISHIDA who makes many blue jokes and is a private Keio University graduate where 20 to 30% of undergraduates are mediocre with the atmosphere dominated by mediocrity. In spite of his academic background (private university graduate) and his humanity, he also has a personality that sometimes calls others "*Obochan* (Greenhorn)" hind their backs.

“Japanese weekly magazine ‘Shukan Shincho’ reported that ‘During Prime Minister Kishida’s visit to Europe this month, Shotaro KISHIDA, Secretary to the Prime Minister went sightseeing in France and Paris, etc. in an official car”

また「海外出張で、公用車を使って観光地巡りとショッピング三昧」と報道された岸田文雄総理の長男岸田翔太郎総理大臣秘書官（私立慶應大学卒業生）については、その後日本の大新聞社が「岸田翔太郎総理大臣秘書官は、総理大臣秘書官の悪しき勤務前例を作られた」とは正反対の「他の総理大臣秘書官は、岸田翔太郎総理大臣秘書官と立場が同じ」と同列に扱う内容記事も出されたこともあり、同様の緊張感のない勤務であれば普通に左遷となる他の秘書官、官僚の場合とは違い、現在もそのまま総理大臣秘書官の勤務を続けてみえますが、日本国内では「観光地で観光写真撮るのを『対外発信のための風景などの撮影』と表現するのは面白過ぎます。父親（総理大臣）の土産物と言え、ショッピングし放題ってことなのではないですか」「国民に厳しく、息子に甘い」「そもそも（岸田文雄総理が『公私混同』の批判を押し切って総理大臣秘書官として弱冠 31 歳で大抜擢された）人事が不適切です」「一国のリーダーを身近で支える（総理大臣秘書官）、その重責への緊張感の欠如は明らかです」「親が親なら子も子」などの市民感覚の評判も聞かれます。Malaysia の皆さんには見習っていただけない日本の悪しき前例「バカ息子と親バカ」ですが、岸田翔太郎秘書官は学部生の 2~3 割が凡才 且つ凡才が支配的な私立慶應大学ご出身らしく下ネタが多い人間性でみえ、自身の私立大学の学歴と人間性とは裏腹に、陰で他人を「お坊ちゃん」呼ばわりすることもある性格でいらっしやいます。
