Executive Assistant, Capella Singapore

General Manager, during my stay at Capella Hotel Singapore on October 20, 2024, in the absence of the General Manager, Head Bartender Ezwan of Bob's Bar and Head Bartender Franz of the Pineapple Room kindly took photos with me. Thank you very much. [Reference: Academic Paper "Paper on October 21, 2024 (Singapore)" on the academic homepage "chairperson.jp"]

By the way, I met a male member of the Leaders Club of Leading Hotels of the World, at the French restaurant "Les Saisons" in the Imperial Hotel Tokyo, where Hotel Executive Chef Yu SUGIMOTO hosted a dinner event on November 4, 2024. He (member) mentioned that a new Capella Hotel will open in Kyoto in the near future, and he is planning to stay there. This week (November 19, 2024), I traveled from Tokyo to Kyoto to enjoy a Noh performance and a premium dinner at Nijo Castle. My regular part-time role as an internist at a general hospital in the Tokyo Metropolitan area made it a one-day trip instead of a two-day, one-night stay.

I appreciate your continued support.

Sincerely,

Yukihisa SHIDA, M.D., Ph.D.

The Executive Chef of the Imperial Hotel Tokyo and the Visiting Professor of Private Doshisha University probably do not have definitive evidence to be brilliant, but they are truly top-class professionals and are also fluent in foreign languages. For your reference, now, there is evidence that approximately half of the undergraduate students at both National Mie University and Private Doshisha University are brilliant. However, the remaining half lack such evidence and are considered mediocre.

帝国ホテル東京の総料理長並びに私立同志社大学 客員教授は、恐らく明らかな秀才の Evidence は持ってみえない凡才でいらっしゃいますが、一流のプロで外国語も堪能で見えます。ご参考までに、国立三重大学と私立同志社大学においても、現在約半数の学部生は秀才の Evidence がありますが、残りの約半数の学部生については明らかな秀才の Evidence のない凡才です。
