Dear Mr. Dell’Appennino,

I stayed at the Bulgari Hotel Milano on March 23 and 24, 2024. I appreciate your kindness in allowing me to stay at the Bulgari Hotel Milano and to give a comment to you, as I did at Osaka University, on March 25, 2024.

Mr. Dell’Appennino : General Manager of the Bulgari Hotel Milano (March 25, 2024)

Dr. Shida provides an explanation to Mr. Dell’ Appennino

The late former Italian Prime Minister Silvio Berlusconi, a graduate of the Faculty of Law at the University of Milan was the most title-winning soccer team owner and president in soccer history and became globally famous for the “Bunga Bunga” parties and the December 13, 2009 assault incident in Milan. Meanwhile, Japan's current Prime Minister, Fumio KISHIDA, along with his eldest son, Shotaro KISHIDA, (former) Prime Minister’s Secretary are known both domestically and internationally as Japan’s most famous “doting parent” and “stupid son.” The following photos show the well-known “L’Ultima Cena” in Japan. For details about these “Part-time job terrorism photos” please refer to the Academic Papers (F) “Paper on May 20, 2023 (Malaysia)” and “Paper on July 1, 2023 (The Supreme Court of California, U.S.A.)” on the academic homepage “chairperson.jp”.

The late former Prime Minister Silvio Berlusconi was a wealthy man, and this was evident in his “Bunga Bunga” base. Prime Minister Fumio KISHIDA and his son, former Chief Cabinet Secretary Shotaro KISHIDA who do not distinguish between brilliance and mediocrity, graduated from the private Waseda University (Father) and private Keio University (Son). In these universities, blue jokes are common and with 20-30% of undergraduate students being mediocre, a dominant atmosphere of mediocrity exists. This lack of distinction between brilliance and mediocrity along their prevalence of vulgar jokes forms their base. **As for Shota KISHIDA, we need attention to him, as he has the habit of derogatorily calling others “Greenhorn” behind his back while ignoring his own shortcomings.**

I asked the president of a company that used to supply products to 7-Eleven about “part-time job terrorism (similar to what Shotaro KISHIDA did),” and the answer was “It’s very scary.” At the PAVONE party held at Andaz Hotel Tokyo on November 13, 2023, Mr. Shintaro KITSUDA, the president of Tiffany & Co. Japan Inc. kindly agreed to have his photo taken with me, also declined on-the-spot two-shot photo shoots to be posted on social media such as Facebook, even for affluent individuals or PAVONE upper-class wealthy members (with net financial assets of over hundreds of millions of yen). Additionally, Chef Kosuke OTUSKA from the Italian Restaurant OZIO of Yokohama Baycourt Club where we had a wine event dinner on February 4, 2024, appears to provide error-free professional service including dealing with allergies, to the first-rate and elite members of the Tokyo & Yokohama Baycourt Club who are said to have an average annual income of 30 million yen.

“Part-time job terrorism (*Baito-terro*)” refers to the act of part-time employees engaging in inappropriate behaviors at their workplace, and the spread of photos and videos of these pranks and stunts to the public, damaging the company’s reputation. It highlights a lack of ethical awareness among employees and leads to social condemnation for these unethical behaviors.

Regarding Prime Minister Fumio KISHIDA’s appointments, a Ginza night club owner, who is also graduated from the same private Waseda University as the Prime Minister, was recommended by the Liberal Democratic Party after a public recruitment and has now become a member of the House of Representatives. The election of an adult actress Ms. Staller Anna Ilona to the Italian parliament was global news in the 20th century, but in the United States and Japan, it is nearly unprecedented for hostesses from gentlemen’s clubs or piano bars to be appointed as parliament members. This is a significant appointment from the same Waseda University alumni network as the Prime Minister. Notably, on the personal homepage of Member of Parliament Aki SHIRASAKA, as well as on the Liberal Democratic Party and the House of Councillors websites in Japan, there is no mention about her 35-year career as a hostess, only listing her role as an “company owner,” akin to that of a small and medium company president. This mirrors the situation of a Liberal Democratic Party member of parliament from Hiroshima close to Prime Minister Fumio KISHIDA, who does not disclose his academic background as a “money-powered backdoor doctor” after using an examination broker and spending over 60 million yen on medical education expenses to famous backdoor university, private Teikyo University on his personal homepage or the Liberal Democratic Party and House of Representatives websites in Japan. These two Diet members present a stark contrast to (former) Diet member, Ms. Staller Anna Ilona in Italy. The Platinum Card Concierge of American Express Japan refuses to introduce and make a reservation at a restaurant that has a hostess, i.e., a woman who sits next to the customer and serves the customer. (If Ms. Shirasaka was a just manager, not a hostess, there is no problem.)

“Despite being a case of backdoor admission through monetary influence, he became a doctor with confidence, and later, with abundant financial resources of over 60 million yen, advanced to the Faculty of Economics at the national University of Tokyo.”

Japanese mass media seems to favor private universities such as private Waseda University which is known for their large alumni networks and private Keio University. There’s a perception that these institutions fail to distinguish between brilliance and mediocrity, leading to a dominance of the former. And this inclination appears to facilitate unprecedented nepotism and the promotion of less capacitated individuals through the influence of these universities’ alumni networks. On the other hand, with full focus on “economy, economy, economy” and the “reconstruction of Japan’s economy,” coupled with the Bank of Japan Governor Haruhiko KURODA’s purchase of ETFs (Exchange-Traded Funds) and monetary easing policies, as well as the continuation of these policies by Governor Kazuo UEDA, the Nikkei Stock Average has skyrocketed, reaching its highest level in 34 years on February 22, 2024. Despite this, the approval rating of the Kishida Cabinet has recorded the lowest level in Japanese history since its inauguration in October 2021. Prime Minister Fumio KISHIDA himself, as a politician who is brilliant and expected to continue serving as Japan’s Prime Minister from the fall of 2024, unfortunately garnered a mere 1% expectation value in a public opinion poll conducted by a major newspaper in February 2024. Regrettably, even members of his own ruling party have mockingly referred to him as the “deep-sea fish Prime Minister” for surviving despite his extremely low approval ratings. Additionally, there has been public criticism reported, questioning the appropriateness of lawmakers urging the public to pay taxes transparently while their own actions remain opaque, involving their background (undisclosed funds...). This is the current state of affairs, as reported.

“Zero marks public business”

Japanese magazine Shukan Shincho reported that “Prime Minister’s Secretary Shotaro KISHIDA used vehicles from the Japanese Embassy in Paris for touring tourist spots and purchased souvenirs at high-end department stores.” Meanwhile, the government stated in a press conference aimed at the Japanese public that “the use of official vehicles was for collecting photographs, and there was no inappropriate action” (the use of official vehicles was necessary for gathering photos for information dissemination on official social media and other platforms during overseas trips, and there was no inappropriate action as the Prime Minister’s Secretary). **[Ultimately, not a single photo (zero photo) of the tourist sites taken by Prime Minister’s Secretary Shotaro KISHIDA was posted on any official government social media platforms, and to this day, Mr. Shotaro KISHIDA personally owns them. And despite the use of taxpayer money, it has not been clarified whether photos of tourist sites intended for posting on the government’s social media actually exist.]**

Based on magazine reports about the “Prime Minister's Official Residence Year-End Dinner Party,” the opposition pursued the dismissal of Prime Minister's Secretary Shotaro KISHIDA in the Diet, accusing him of severe mixing of public and private matters. However, his father, Prime Minister Fumio Kishida, did not respond.

A member of the ruling Liberal Democratic Party commented, “Prime Minister Fumio KISHIDA must make Prime Minister’s Secretary Shotaro KISHIDA resign once and start over from zero. His son, Mr. Shotaro KISHIDA himself doesn’t understand what he did wrong.”

The educational background, career, and troubles as the Prime Minister's Secretary of Shotaro KISHIDA (32 years old)
 2014 Graduated from private Keio University Faculty of Law and joined Mitsui & Co.

In the following years it was reported

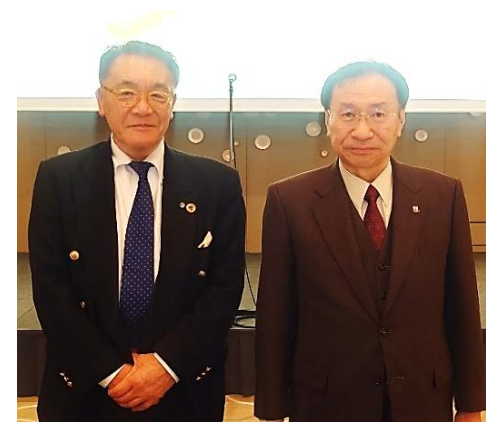

- 2022 October Appointed as the Japanese Prime Minister’s Secretary
- 2023 January Japanese magazines reported that he used official vehicles for sightseeing and purchased souvenirs while on official trips abroad in 2022
- 2023 May 22 On December 30, 2022, a private year-end dinner party with the Kishida family was held at the Prime Minister’s Official Residence, where “commemorative photos” were taken on the platform the Prime Minister and ministers used for photo sessions during a cabinet reshuffle
- 2023 May 29 The Government of Japan announced that Shotaro KISHIDA, the Prime Minister’s Secretary would resign effective June 1, 2023.

General Manager, at the Dinner Event held at the Palace Hotel Tokyo, where President Trump had stayed during his visit to Japan in 2019, on February 6, 2024, there was an opportunity to ask Tatsuji SUGIMOTO, the Governor of Fukui Prefecture in Japan, about his thoughts on Prime Minister Fumio KISHIDA.

“After the Noto Peninsula earthquake in Japan on New Year's Day 2024, Prime Minister Fumio KISHIDA made a day trip to the affected area on January 14th and spoke about ‘standing with the people of Ishikawa Prefecture who were affected.’ However, it is said that he continues to enjoy luxurious dinners and drinks at high-end restaurants and ryotei in Tokyo on a daily basis. Ms. Hillary Clinton once said like ‘it is very difficult for politicians to bridge the gap between ideals and reality.’ What do you think about Prime Minister Kishida’s political stance?” (Dr. Shida)

“That's a very difficult question. (No comment thereafter)” (Governor Sugimoto)

Volunteers are still actively working at their own expense in the Noto Peninsula earthquake-affected area, and the form of “standing with the affected people” that Prime Minister Kishida spoke of during his visit seems to have been left to the volunteers. Meanwhile, Prime Minister Kishida appears to be spending his days in Tokyo, enjoying luxurious meals and drinks at high-end restaurants with fellow Liberal Democratic Party members of the Diet, embodying a form of solidarity among themselves, frequently at the expense of taxpayer money. It is not uncommon for him to have expensive dinners, and reporters from major newspapers, compared to past prime ministers, seem eager to express their concerns by saying, “Prime Minister, what do you think about this?” **However, he is a “bloody sexy man” who luxuriously spends the hard-earned tax money of the common people.**

Milan 大学法学部ご出身の故 Silvio Berlusconi 首相は、サッカー史上最も多くのタイトルを勝ち取ったオーナー会長でみえ、ブンガブンガと 2009 年 12 月 13 日に起こった Milano での殴打事件で世界的に有名になりましたが、日本の岸田文雄現総理も長男、岸田翔太郎（元）総理秘書官と共に日本一有名な「親バカ」と「バカ息子」として国内外で知られています。以下の写真は日本では良く知られた東京の「最後の晚餐」で、経緯につきましては学術 Homepage 「chairperson.jp」内 Academic Paper 「Paper on May 20, 2023 (Malaysia)」と「Paper on July 1, 2023 (The Supreme Court of California, U.S.A.)」をご参照下さい。

なお故 Silvio Berlusconi 首相は資産家でみえたことがそのブンガブンガの Base におありになりましたが、岸田文雄現総理と岸田翔太郎（元）総理秘書官は、それぞれ凡才と秀才を区別せず凡才が支配的、下ネタが多く、学部生の 20~30%が凡才で、凡才が支配的な空気の私立早稲田大学並びに私立慶應大学ご出身のため、自身も凡才と秀才の区別がついてみえず下ネタが多い人間性でみえることが Base になっていらっしゃる。【バカ息子】岸田翔太郎さんに至っては、ご自身のことは棚に上げられ陰で他人を「お坊ちゃま」呼ばわりする性格でもみえまして、さらに注意が必要です。

以前セブンイレブンに商品を納入してみえる会社の社長さんに「(岸田翔太郎さんの様な) バイトテロ」についてお尋ねしましたところ、「非常に怖いです」とのお答えでした。2023 年 11 月 13 日 Andaz Hotel 東京にて開催されました PAVONE (月刊高級情報誌) の Party に出席しました際に私と写真を撮っていただきました Tiffany & Co. Japan Inc.の橋田新太郎社長は、例え「純金融資産保有額数億円以上」の富裕層、PAVONE 会員でみえても Facebook など SNS に載せる Two-shot 写真撮影は当日その場で断っていらっしゃいました。また 2024 年 2 月 4 日 Wine Dinner をいただきました Italian Restaurant OZIO の大塚浩介 Chef も、平均年収 3 千万円とも言われます東京 & 横浜 Baycourt 倶楽部、一流の Elite 会員に対して Allergy 等間違いのない Pro の仕事してみえます。

また岸田文雄総理の人事としましては、総理と同じ私立早稲田大学の卒業生である銀座のオーナーママさんも国会議員として、自由民主党として公募後推薦され、現在衆議院議員となられています。イタリアでは Adult 女優、Staller Anna Ilona さんが国会議員になられたことが 20 世紀世界的な News になりましたが、米国、日本では、Gentleman Club、Piano Bar のホステスさんが抜擢され国会議員になることはほぼ前例のないことで、結果的に首相と同じ私立早稲田大学学閥からの大抜擢になってみえます。ちなみに白坂亜紀議員の個人の Homepage、自由民主党 Homepage 並びに参議院 Homepage のいずれも過去 35 年もの彼女の「ホステス」の経歴に関しては全く記載がなく、中小企業の社長と同様の「経営者」の記載のみです。これは岸田総理に近い広島県ご出身自民党国会議員の「入試 Broker を使い、6 千万円以上の医学教育費を有名裏口金権大学 私立帝京大学に出した裏口金権医師」とのご自身の学歴が個人の Homepage、自由民主党 Homepage 並びに衆議院 Homepage に全く記載がないのと同じく、お二人共 Staller (元) 国会議員とは対照的です。ちなみに AMEX Japan ではホステスさん、すなわちお客さんの横に座って接客する女性がいるお店の予約は、Concierge で断ってみえます。(ホステスさんではなく、経営者でしたら問題ありません)

日本の Mass Media は最大学閥が私立早稲田大学であり、凡才が支配的な空気で凡才と秀才を区別してみえない私立早稲田大学と私立慶應大学に傾倒してみえますため、前例のない身内びいき、バカ息子などの大抜擢人事も私立早稲田大学並びに私立慶應大学学閥で押し切ってみえます。その一方「経済、経済、経済」と「日本経済の立て直し」に全力を注がれ、日本銀行黒田東彦総裁の ETF（上場投資信託）購入と金融緩和政策、植田和男総裁の引継ぎとも相まって日経平均株価がうなぎ登りに上昇し、2024年2月22日に34年ぶりに史上最高値を付けたにも関わらず、岸田内閣の支持率は2021年10月発足後日本史上最下位 Level を記録しています。秀才 岸田文雄総理自身も次期2024年秋からも日本の総理として続投してほしい政治家として2024年2月の大手新聞社世論調査にてわずか1%の期待値で、残念ながら身内与党の国会議員からも「深海魚（極めて低支持率でも生存している）総理」と揶揄されていまして、「**国会議員自らの所作が裏金など不透明であるにも関わらず、国民に透明感のある納税を促すのは理にかなっていない**」との世論も報道されてますのが現状です。

General Manager、2024年2月6日、Palace Hotel 東京（《前》Trump 大統領が2019年訪日をされた際宿泊）で開かれました Dinner Event で、杉本達治 福井県知事に岸田総理についてのお考えを伺う機会がありました。

「2024年元旦の能登半島地震発生後、岸田文雄総理は1月14日に日帰りで現地に視察に出掛けられ『被災された石川県の皆さんに寄り添う形で』と話されましたが、その後も東京では高級料亭など高級 Restaurant で連日贅沢な夕食とお酒を召し上がってみえと言われていています。以前ヒラリークリントンさんは『政治家が理想と現実のギャップを埋めるのはとても難しい』との様な発言をされてましたが、知事は岸田総理の政治姿勢をどの様に思ってみますでしょうか。」（志田医師）

「すごい難しい質問です。（以下 No comment）」（杉本知事）

能登半島地震現地では現在もボランティアの皆さんが手弁当で活動してみえまして、岸田総理が被災地視察時に言われた「被災者の皆さんに寄り添う形」はボランティアの皆さんにお任せされ、岸田総理は日常東京の高級 Restaurant で自民党国会議員などとお互い寄り添う形をとられ、頻回に税金を使った贅沢なお食事、贅沢なお酒を堪能してみえます。高額の会食も珍しくなく大手新聞社の記者さんも過去の総理大臣と比較して「総理、如何なものでしょう」と苦言を呈したがっていらっしゃいますが、**庶民の血税を贅沢に使われる「血も滴るいい男」**です。
