Mr. Paul Jones  
General Manager  
Mandarin Oriental Tokyo  
Tokyo, Japan

Hotel Manager (Assistant General Manager): Mr. Igor Apraiz  
(December 19, 2020)

Dear Mr. Paul Jones,

I enjoyed the Mandarin Oriental Tokyo 15 Year's Anniversary Dinner at the Mandarin Oriental Tokyo (General Manager: Mr. Paul Jones) on December 19, 2020 and stayed at the Mandarin Oriental Tokyo on January 25, 2021. I appreciate your kindness in allowing me to stay at the Mandarin Oriental Tokyo and to give a comment to you, as I did at Osaka University, on my 59th Birthday, January 26, 2021.

Mr. Paul Jones: General Manager of the Mandarin Oriental Hotel Tokyo (January 26, 2021)

Dr. Shida provides an explanation to Mr. Paul Jones

"The new coronavirus disease pandemic has become a major problem medically, politically, and economically all over the world, and economic news on economic victims (suicide victims, etc.) in Japan was reported on TV Asahi of The Asahi Shimbun Group, one of Japan's mass media top groups, on December 14, 2020 by an economic news desk who spoke a casual word 'chatte,' 'chatte' and Newscaster Komatsu with a foppish face without a feeling of tension. (With all due respect, I recommend that the president of TV Asahi, Keiji KAMEYAMA, will confirm and verify this matter.) As TV Asahi is located in Roppongi Hills, announcers, commentators, reporters, editorial writers and company executive officers of TV Asahi and The Asahi Shimbun had better refrain from talking loudly about their views when they visit high-end bar lounges or restaurants such as Roppongi Hills Club on the 51st floor of Roppongi Hills Tower. As always, at Roppongi Hills Club, Fifty-one Lounge, etc., you can feel the foolish atmosphere where mediocrities are predominant, as same as mediocre private universities like private Waseda University (a largest academic clique in Japanese mass media), and talk many blue jokes and denigrate brilliant national universities implicitly. I refrain from calling myself 'Obochan or Obocchama (Greenhorn),' but I occasionally hear graduates of universities in Tokyo are proud of and call themselves 'Obocchama.' As the hotel manager knows, it is a contrast to the sophisticated atmosphere at the Lounge of the Mandarin Oriental Hotel New York where high society charity events are sometimes held. Please refer to academic papers 'Paper on May 30, 2015 (Japan Society for Medical Education),' 'Paper on October 27, 2020 (Japan),' etc. on the academic homepage 'chairperson. Jp'. For your information, when the 22nd Nikkei Global Management Forum hosted by Nihon Keizai Shimbun was held at the Imperial Hotel Tokyo (Chiyoda-ku) on November 10, 2020, I indirectly gave a few words of warning to Nihon Keizai Shimbun, because the atmosphere of the Imperial Hotel Golden Lion Club changed to the foolish atmosphere like mediocre private universities such as private Tokyo Medical University, private Aichi Medical University or private Waseda University (The three private universities are dominated by mediocrities with a deviation being below 50 who say many blue jokes about national universities and nurses...), etc. in Japan (maybe they were from Nihon Keizai Shimbun.) Thank you for your continued support. When alumni of mediocre private universities with a deviation value of less than 50 say blue jokes, it means they are bad-mouthing others for us, brilliant national university graduates."

"Shallow thinking" 「お考えが浅い」

"Foolish" 「あほくさい」

The Asahi Shimbun Anchor Yasushi KOMATSU and Misaki HAYASHI TV Asahi and President Keiji KAMEYAMA  
Greenhorns (Obocchan and Ojochan) of The Asahi Shimbun Company Group

Almost all athletes are mediocrities who are all muscle and no brain (deviation value of less than 50) in 2021. Mediocrities compete at the Hakone-Ekiden (long-distance relay race). About 20 famous private universities where mediocrities are predominant. 選手のほぼ全員が頭はない (偏差値 50 より下) が筋肉がある 凡才が支配的な空気の約 20 の有名私立大学が競う箱根駅伝 2021

## Mr. Paul Jones: General Manager of the Mandarin Oriental Tokyo (January 26, 2021)

### Dr. Shida provides an explanation to Mr. Paul Jones

世界中で、主に医学、政治経済の大問題になっています新型 Coronavirus 感染症流行ですが、日本の Mass Media Top Group の一つ、朝日新聞社 Group の TV 朝日（港区）にて、2020 年 12 月 14 日新型 Coronavirus 感染症流行の日本における自殺者など経済的犠牲者を含む経済 News を、「ちゃって」「ちゃって」と緊張感のない言葉とにやついたお顔、経済部 Desk と News Caster があほくさい雰囲気で伝えられました。（僭越ながら、TV 朝日 亀山慶二社長におかれましては、確認され、検証されることをお勧めいたします。） TV 朝日本社がありますのは六本木 Hills（港区）ですが、六本木 Hills Club（51 階）など高級な Bar Lounge、Restaurant、では、TV 朝日、朝日新聞の記者、論説委員、アナウンサー、解説委員、会社役員などの皆さんはご利用時、大きな声でお考え等話されるのはお控えいただいた方がよろしいかと思われます。いつものことですが、六本木 Hills Club・Fifty-one Lounge などで、凡才が支配的な空気でみえ、暗に国立大学の下ネタを言われ、国立大学を貶める私立早稲田大学（日本の Mass Media 最大学閥）など凡才私立大学そのままのあほくさい雰囲気になってしまわれています。

私は「お坊ちゃん」呼ばわりはご遠慮いただいておりますが、東京の大学からは「お坊ちゃま」呼ばわり、自慢も時に聞かれまして、Hotel Manager が知ってみえます様に、High Society な Charity Event も時々開かれます New York の Mandarin Oriental Hotel New York 内 Lounge の雰囲気とは対照的です。学術 Homepage「chairperson.jp」内 Academic Papers「Paper on May 30, 2015 (Japan Society for Medical Education)」、「Paper on October 27, 2020 (Japan)」等をご参照下さい。なお日本経済新聞社（本社：千代田区）の皆さんにも、2020 年 11 月 10 日に日本経済新聞社主催 第 22 回世界経営者会議が帝国 Hotel 東京（千代田区）で開催されました際、帝国 Hotel Golden Lion Club の雰囲気がやはり私立東京医大、私立愛知医大、私立早稲田大学（3 私立大学共、偏差値 50 より下の凡才が支配的な空気で、国立大学と看護師の下ネタが多いのは変わりません）などを含む凡才私立大学風、あほくさい雰囲気になりましたため、間接的にご注意申し上げたことがあります。恐らく日本経済新聞社からの関係者の皆様です。今後共、どうぞよろしく願い申し上げます。偏差値 50 より下の卒業生など、凡才私立大学からの下ネタは、私達秀才国立大学の卒業生にとりましては悪口になります。
