Cocktail “Chairperson”

Dear Mr. Constantin,

I stayed at the Trump International Hotel & Tower Chicago on January 26 and 27, 2023. I appreciate your kindness in allowing me to stay at the Trump International Hotel & Tower Chicago and to give a comment to you, as I did at Osaka University, on January 27, 2023.

Mr. Gabriel Constantin: General Manager of the Trump International Hotel & Tower Chicago (January 27, 2023)

Dr. Shida provides an explanation to Mr. Constantin

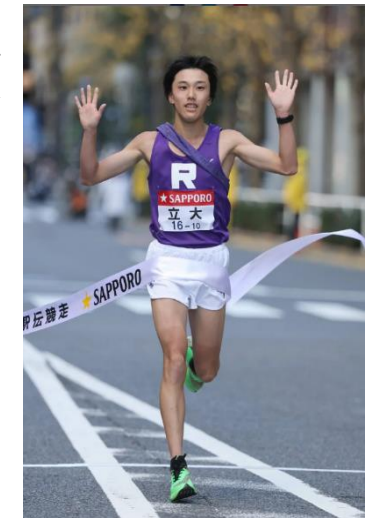

Mr. Masashi WATANABE, president of Funabashiya (a long-established Japanese confectionery shop in Tokyo founded in 1805) was driving a Bentley which is an about 30,000,000 yen (231,000 US \$) luxury car without noticing a red light and went straight and collided with a car that was turning right in Tokyo on August 24, 2022. At that time, he must be upset by the accident, and became an idiot as he is a graduate of private Rikkyo University (Japan) where mediocre people dominates. He yelled “Where did you drive from?” “You bastard!” and kicked off the door of the car with all his might. As the video of the accident was spread on SNS, he was forced to resign as president on September 29, 2022.

He graduated from private Rikkyo University in Tokyo in which 40% of undergraduates are mediocre like the members of Rikkyo University team that run in the Hakone EKIDEN (Tokyo-Hakone Intercollegiate Ekiden Roady Relay) on January 2 and 3, 2023. Mr. Watanabe and the Ekiden members (Rikkyo University athletes) who don't have an evidence to be brilliant (higher than deviation value of 50 in Japan) are mediocre.

2022年8月24日東京都内で、船橋屋（1805年創業、歴史と伝統のある東京の老舗和菓子店）の渡辺雅司社長（当時）が約3千万円の高級車 Bentley を運転中赤信号に気付かず直進し、右折してきた車に衝突しました。その際渡辺雅司社長 事故で気が動転されたのか、凡才が支配的な空気の私立立教大学の凡才卒業生として「あほ（凡才）丸出し」になってしまわれ、「どっからお前出てきてるんだ、この野郎！」などと怒鳴り散らし、衝突された車のドアを思いきり蹴飛ばされました。その後渡辺社長にぶつけられた車の Drive Recorder 動画が SNS 上拡散しまして、渡辺社長は9月29日社長辞任に追い込まれました。

In the movie “Six Days” (produced in 2017), which is based on the 1980 Iranian Embassy siege in London, a United Kingdom SAS (Special Air Service) member said, “I have no educational background.” Japanese famous Talent Shofukutei Tsurube (a private Kyoto Sangyo University dropout, Japan) says, “We are (I am) foolish,” but in the case of mediocre private university graduates like former president Masashi WATANABE of Funabashiya, they don’t say, “I’m not brilliant.” He doesn’t say that he is mediocre in his daily life, however, he doesn’t give the image of a brilliant man who graduated from a national university because he is a mediocre who graduated from a private Rikkyo University. For (former) Prime Minister Naoto KAN (national Tokyo Institute of Technology graduate), who sometimes asked senior bureaucrats, be a mediocre graduate of private Rikkyo University for Mr. Kan. In the world of Japanese politics, former Prime Minister Yoshihide SUGA (private Hosei University bachelor), Minister Taro KONO KOIZUMI (Columbia University master’s degree holder), etc., Perhaps there is pressure to mass media from politicians and mass newspapers seem to take the wrong attitude of reporting as if the Minister Fumio KISHIDA boasts that he has the ability to “ask whether a person is brilliant or mediocre” is as poor as Japanese has the ability to judge whether a person is brilliant or mediocre.

1980年の駐英イラン大使館占拠事件を映画化した映画「6日間」(2017製作)では、United KingdomのSAS(Special Air Service)隊員が「自分は学歴がない」と話され、日本の有名Talent笑福亭鶴瓶さんは「わてら あほ(凡才)やから」と話してみえますが、渡辺雅司元社長の様な凡才私立大学の凡才卒業生の場合、まず「自分は秀才ではない」とご自身で話されません。日常その様な言い方もされませんが、私立立教大学ご出身の凡才では国立大学出身の秀才の「Image」はありません。高級官僚などに「脳(頭)はあるのか」と聞かれる菅直人(元)総理(国立東京工業大学工学士、秀才)からしましても、「頭のない(凡才の)」私立立教大学卒業生としてみえることでしょう。日本の政治の世界でも、菅義偉元総理(法政大学学士、凡才)、河野太郎(Georgetown University 学士、凡才)大臣並びに小泉進次郎(元)大臣(Columbia 大学修士、凡才)などが、日本のMass Mediaと共にひたすらご自身の「凡才」を誤魔化し通してみえます。政治家からの圧力、Mass Mediaから政治家への忖度がおありになるのでしょうか、大新聞もまるで三人の政治家が「頭のある秀才」「秀才の経験のある政治家」でみえるとの誤った報道姿勢をとってみえます。ご参考までに岸田文雄現総理はご自身は秀才で人の話を「聞く力」を自慢されてますが、凡才私立大学(凡才が支配的な私立大学)、私立早稲田大学ご出身のため、やはり「秀才か凡才かを聞く力」は日本のMass Media ぐらいお寒く、菅直人(元)総理大臣と異なり、菅義偉(前)総理大臣と同じく秀才と凡才について判断する力は持ち合わせてみえません。

In addition, it is said that XI Jinping, General Secretary of the Chinese Communist Party, Chairperson of the Central Military Commission and President of the People's Republic of China (PRC) which is the world's second largest economic power in the 21st century is unlike "(former) President Obama who failed to win the 2016 Chicago Olympics in 2009 and declined the position of the US president," or "President Biden who is worried about dementia due to his old age, surprised his forgetfulness..." but regrettably, he is not brilliant. The official announcement on the Covid-19 by the Chinese government at the beginning of this year, "The number of deaths across China due to the Covid-19 is one on January 4, 2023" was beyond the reach of understanding of brilliant medical scientists of the WHO and countries across the world. On the other hand, private universities such as private Teikyo University and Tokyo Medical University, and mass media are also still strongly refraining from disclosing the figure of "60,000,000 yen (462,000 US\$)" for medical education through entrance-examination brokers in Japan. As a result, it is difficult for a brilliant medical scientist who is a graduate of national Mie University to understand the fact. In regards to Peking University, we hear students of the university say, "Peking University attracts brilliant students who got top-class academic test scores from all over China." Under the strong leadership of President Xi Jinping, which also leads the academics of Peking University has achieved astounding development and surpassed Japan as an economic powerhouse this century. また世界第2位の経済大国中国の習近平主席は、オバマ大統領の「シカゴオリンピックの誘致に失敗し、米国大統領の地位を貶めた」、バイデン大統領の「周囲が驚く物忘れなど、ご高齢に伴う認知症が心配される」との様な報道は見当たりませんが遺憾ながら秀才ではみえず、Covid-19に関する中国政府が集計され年毎に公式発表された「Covid-19による中国全土の死者数は、2023年1月4日は1人」（2023年1月5日中国政府発表）等、中国政府から発表された数字は、「世界の秀才医学者が理解するのに苦しむ」かのごとくWHO及び世界各国で解釈されました。ちなみに日本におきましても私立帝京大学、私立東京医大などの凡才私立大学とMass Mediaは、入試Brokerを通じた医学教育費「6千万円」の数字について現在も強く公表を抑えてみえまして、同様に国立三重大学の秀才医学者が理解するのに苦慮する状況となっています。なお北京大学に關しましては「北京大学は、中国全土各地からTop Classの学科試験成績優秀者（秀才）が集まって来ます」との北京大学生の発言及び評判が聞かれています。北京大学の学術をも導く習近平主席の強力なLeadershipの下、今世紀経済大国日本を抜き去られた驚異の発展を遂げてみえます。

General Manager, regarding the Trump International Hotels, when I visited New York (Jean-Georges Restaurant), Las Vegas (Reception), Washington, D.C. (BLT Prime Restaurant), and Vancouver (Main Bar) before 2018, I had the impression that they were luxurious hotels. In Japan, the Roppongi Hills Club where I usually visit on a daily basis has shortened the period to use a gift ticket for the restaurants in the Roppongi Hills Club from 1 year to 6 months, and no extension of the usage period is allowed by any reasons (hospitalization...) under the current Covid-19 pandemic. The male and female staffs at a barber shop in the Hotel New Otani Tokyo chatted, saying “water supply” and “water” in a loud voice that echoed throughout the shop on December 12, 2022. (The word “water” in Japanese is a slang for women who work at night like female workers at piano bars, gentlemen's clubs, etc. in the United States and Europe.) Prime Minister Fumio KISHIDA also visited this barber shop after he became prime minister in 2021. Mr. Kishida graduated from private Waseda University and I (Dr. Shida) graduated from Graduates of national Mie University talk not so many blue jokes unlike private Waseda University usually, so I gave caution to the staffs who chatted. By the way, Managing Director, Strategy & Planning Division of Yoshinoya Holdings, Masaaki Ito (private Keio University graduate) was invited as a lecturer at Waseda University on April 16, 2022 and said “Yoshinoya Holdings has a sales strategy to make young girls who is from the country and virgin addictive to Yoshinoya beef bowl like cocaine” laughingly and later, he was dismissed from Yoshinoya Holdings. (Ms. Paris Hilton was denied entry into Japan at the Narita Airport because of drug possession in USA, too.) Incidentally, a freelance journalist, Shiori ITO (a junior college graduate in Japan) who was selected one of the TIME Magazine's “TIME100 : The Most Influential People of 2020” wrote that she met (former) TBS TV Washington, D.C. Bureau Chief Noriyuki YAMAGUCHI (private Waseda University graduate), who was said to be the closest journalist to (the late) Prime Minister Shinzo ABE (private Seikei University graduate), at a piano bar in New York in her book “Black Box” published in 2017. The 21 Club NY where successive US presidents including (former) President Donald Trump visited closed in 2021. And, unfortunately, the Roppongi Hills Club, Hotel New Otani Tokyo and Imperial Hotel Tokyo... were also downgraded in 2022 due to the Covid-19 pandemic. General Manager、Trump Hotels International に関しましては私 2018 年より前に New York (Jean-Georges Restaurant)、Las Vegas (Reception)、Washington, D.C. (BLT Prime Restaurant)、Vancouver (Main Bar) に訪れたことがありまして、いずれも高級 Hotel の Reception、Restaurant、Bar の印象でした。一方私が日常よく訪れています六本木 Hills Club は新型 Corona 流行下において六本木 Hills Club 内 Restaurant のご利用券の利用期間を 1 年から 6 か月に短縮された上利用期間の延長を一切容認されず、また Hotel New Otani 東京は 2022 年 12 月 12 日理容店で「水道が」「水が」と男性、女性 Staff から店内に響き渡る大声で Staff 同士下ネタを話されてきました。(日本で「水」といいますのは、欧米におきます Piano Bar、Gentlemen's Club など働く Nightwork の女性の隠語になります。) 岸田文雄総理も 2021 年の総理就任後来てみえた理容店ですが、暗に下ネタが多い岸田さんのご出身大学私立早稲田大学の卒業生とは異なり、私の出身大学国立三重大大学の卒業生は日常下ネタが少なく、Hotel New Otani 東京の Staff に注意させていただきました。ちなみに 2022 年 4 月早稲田大学主催の講演会では、吉野家の伊東正明常務取締役企画本部長 (私立慶應大学卒業生) が、「田舎から出てきた若い女の子を、生娘のうちに牛井中毒、シャブ漬けにする」との下ネタを交えたあほくさい吉野家の経営戦略を笑いながら発言され、その後吉野家を解雇になりました。(Ms. Paris Hilton は、米国での麻薬所持のために成田空港で日本への入国拒否をされました。)

また（故）安倍晋三首相に最も近い Journalist と言われた（元）TBS TV 山口敬之 Washington, D.C.支局長（私立早稲田大学ご出身）と、2020年9月23日発行 TIME 誌の「世界で最も影響力のある 100 人」に選出された現 Free Journalist 伊藤詩織さん（短大ご出身）との出会いが、New York の Piano Bar であったことが伊藤さんの著書「Black Box」に記載されています。Trump 大統領を含む歴代の米国大統領が訪れてみえた 21 Club NY は 2021 年閉店されましたが、残念ながら帝国 Hotel 東京、六本木 Hills Club、Hotel New Otani 東京なども、Covid-19 Pandemic に耐え切れず 2022 年格を落とされました。

Announcer Sasazaki

“Exceed (the past and current situation). Continue to exceed.”

In April 2015, after Nippon TV (Japan) decided to hire Rina SASAZAKI (a graduate of Toyo Eiwa Jogakuin, private university) as an announcer, she told Nippon TV that she had worked as a nightclub hostess before. Two months later, Nippon TV canceled to hire Rina SASAZAKI as an announcer for the reason that “she lacked the integrity which is necessary for an announcer.” Even at the Fifty-one Lounge of Roppongi Hills Club (51F), some group guests such as those who graduated from private universities such as private Keio University and private Waseda University... talk loudly and indirectly blue jokes on a daily basis. On the other hand, she has concept of values, like “I am not a night worker (‘water’) now,” “I can suppress my negative carrier,” “My carrier is no problem” and “I’m OK”... and contested to Nihon TV. It became a social issue in Japan, and Nippon TV finally overturned the decision and hired her as an announcer. 2015年4月、日本TVが笹崎里菜さん（私立東洋英和女学院大学卒）をAnnouncerとして採用決定後、自身が以前NightclubのHostessとして働いたことがあるとの事実を笹崎里菜さんが日本TVに伝えたところ、2か月後「笹崎里菜さんは、Announcerに必要な清廉性に欠ける」との理由で日本TVが笹崎里菜さんをAnnouncer採用取り消しとしました。六本木Hills ClubのFifty-one Lounge (51F)でも、私立大学出身者などのGroupのGuestが、日常大きな声で暗に下ネタを交えながら話してみえますが、笹崎里菜さんは「今はお水の女性ではない」「事実を抑えることが出来る」「大丈夫」「問題ない」との様な価値観がおりになり日本国内で社会問題化しました。結局日本TVが「Announcer採用取り消し」の決定を「Announcerとして採用」へと覆されまして、現在も日本TVに勤務されています。

(Former) President Trump has repeatedly claimed at Republican rallies and on the SNS, “The U.S. presidential election in 2020 was massively fraudulent.” However, it is assumed that (former) President Trump has not yet shown any evidence that surprises the world on the candidates, the Democratic Party, and the election commission that was in charge of the election though he argued that they committed electoral fraud behind the scenes. An elegant elderly American couple who was sitting next to me and said “Pergola’s wine is expensive” to the sommelier asked me at La Pergola restaurant (“No.1 Italian restaurant in Rome”) of Waldorf Astoria Hotel Rome on January 29, 2019, “What Japanese people feel about President Donald Trump?” I answered “I got the impression that Japanese think that American people elected the president for American people.”

Trump元大統領は「2020年米国大統領選挙において大規模な不正が行われた」との主張を共和党集会並びにSNS上で繰り返してみえますが、21世紀に行われた米国大統領選挙に関しましては、残念ながら候補者、民主党、監督に当たってみえた選挙委員会が裏で不正選挙を行っていた等世界が驚くべき証拠がTrump元大統領からまだ一人も示されていないのが事実の様です。2019年1月29日、Waldorf Astoria Hotel RomaのLa Pergola (Romeで1番のItalian restaurant) 店内で隣の席にみえ、「PergolaのWineは、Expensive」とSommelierさんにおっしゃってみえましたAmerica人年配の上品なご夫婦から私にTrump大統領について、日本ではどのように感じているかをお尋ねいただきました際には、「私の印象では、日本では『America人が、America人のための大統領を選ばれた』と思われています」とお答えさせていただきました。

Since 1999, I have repeatedly made the academic assertion that “Medical departments of private medical schools in Japan continue to conduct money-powered backdoor entrance examinations in the 21st century.” As far as I and (former) President of the World Federation for Medical Education, Dr. David Gordon know, I (M.D., Ph.D, of National Mie University, brilliant) am the only one scholar and medical doctor who specializes in backdoor entrance examinations conducted by universities in the world. On December 21, 2010, a former professor at private Keio University who has an educational background and is brilliant commented, “The debate over the money-powered backdoor entrance examinations for private medical schools in Japan is baseless, and it only happens in TV dramas and movies in the 21st century.” (Professors and experts except the professor of private Keio University has not commented on my study in Japan.) Medical education experts at Chicago University, Columbia University and Harvard University know that Teikyo University and Tokyo Medical University provided undeniable proof of the backdoor entrance examinations pointed out in 2002 and 2018 respectively. It is recognized that inappropriate treatment for university applicants has seriously damaged the grade, dignity and integrity that should be maintained by chairpersons, presidents and professors at Japanese private universities in the 21st century. なお私も「日本の私立大学医学部医学科は、引き続き 21 世紀も不正な裏口金権入試を行っています」との学術的主張を 1999 年から同じ内容で繰り返し述べていまして、この様な主張は私と World Federation for Medical Education の(元) President David Gordon が知る限り日本、世界でも私（国立三重大学医学博士、学歴があり秀才）だけです。私立慶應大学の元教授（学歴があり秀才）は 2010 年 12 月 21 日、「日本の私立大学医学部不正入試に関する志田先生の議論は根拠がなく、今（21 世紀）は TV や映画だけの話だと思います」と専門家の私に文書で正反対の見解を述べていただきましたが（私立慶應大学以外の教授、専門家はどなたも Comment を述べて見えません）、2002 年私立帝京大学に続いて 2018 年私立東京医大から裏口金権入試の動かぬ証拠が出されたのは、Chicago 大学、Columbia 大学、Harvard 大学の医学教育専門家もご存じの通りです。日本の私立大学による大学受験生への不適切な対応は、本来理事長、学長、教授職にあるものが保つべき品位、品格、高潔さを、21 世紀甚（はなは）だしく損なっていることが認められています。
