Mr. Roberto E. Wirth  
 General Manager  
 Hassler Hotel  
 Rome, Italy

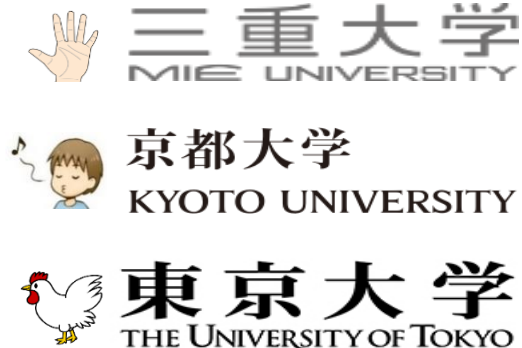

Dear Mr. Wirth,

I stayed at the Radisson Blu Plaza Hotel in Oslo on January 26 and Sheraton Hotel in Stockholm on January 27, and stay at Hassler Hotel Rome on January 28. I appreciate your kindness in allowing me to stay at the Radisson Blu Hotel Oslo, Sheraton Hotel Stockholm and Hassler Hotel Rome and to give a comment to you, as I did at Osaka University, on January 29, 2019.

Mr. Tarje Hellebust : General Manager of the Radisson Blu Plaza Hotel Oslo (January 26, 2019)  
 Mr. Lars van der Most : General Manager of the Sheraton Hotel Stockholm (January 27, 2019)  
 Mr. Roberto E. Wirth : General Manager of the Hassler Hotel Rome (January 29, 2019)

**Dr. Shida provides an explanation to Mr. Wirth**

“Behaviors of scholars and scientists and studies conducted at my old school Mie University, Kyoto University and the University of Tokyo are so ugly and nasty, which go beyond the imagination of members of the Nobel selection committee and people of Sweden and Norway. Like inappropriate male and female relations in troubled countries that were raised at the Nobel Peace Prize in 2018 and inappropriate relationships at work among doctors of national universities, in which human qualities are called into question, can be a weapon for an academic clique like the power and sexual harassment scandal of the University of Tokyo on which the Kobe district court ruled in July 30, 2015. [For further information, please refer to “Paper on October 17, 2015 (Paris University)]. In Japan rules of national universities that are given autonomy are so lenient that scholars and scientists can practically do what they like to do. It is like the one who does it first wins, so to speak. As I have already introduced to Stockholm and Oslo on the academic website, “chairperson.jp,” this may apply to the case of Professor Osamu Taguchi of Mie University, who entered someone’s house with his shoes on to steal things (?) Like persecution that troubled countries including Myanmar (State Counsellor Aung San Suu Kyi) have not admitted, Mie University, Kyoto University and the University of Tokyo have also not admitted their academic harassment both officially and unofficially on their homepages. It is a harsh reality, however, that those graduates from Mie University, Kyoto University and the University of Tokyo departments commit academic harassment and secure posts at universities, academic societies or various committees, research funding and others ahead of Dr. Shida. **Moreover, I must disclose the fact that scholars and scientists of academic cliques at Kyoto University and the University of Tokyo receive the Nobel Prize, which in turn encourages academic harassment targeting Dr. Shida.** ‘The most important of all may be that Japanese people need to understand why Japanese should address academic harassment’ but academic cliques of Mie University, Kyoto University and the University of Tokyo have accused me for being a graduate from a private university and mediocrity (*Bonsai*), criticized me for working improperly, dropped their heads abruptly, or given a sigh or a whistle, continuing to do dirty work as scholars or scientists. [For further information, please refer to “Paper on May 30, 2015 (Japan Society for Medical Education)”.] The Government of Japan (Chief Cabinet Secretary is Yoshihide Suga, Diet member) adopts a negative approach to persecution or academic harassment, conducted by academic cliques of Mie University, Kyoto University and the University of Tokyo, to a doctor of medical medicine (doctor and scientist) who is the only person that specializes in irregularities in entrance examinations and backdoor admissions in Japan. ‘An unknown parked car is gone (stolen) in 30 minutes in Napoli,’ JALPAK (a travel company of the Japan Airlines Company group) said to Japanese tourists in the 20th century. Mr. Angelo Gaja, the fourth head of the Gaja family, nicknamed “the King of the Italian Wine,” said that Napoli is getting better now on November 20, 2018. It seems, however, that ‘Napoli Safari Tour’ is still conducted for tourists who cannot speak Italian in the 21st century. Dear General Manager, Dr. Yukihisa Shida and ‘chairperson.jp’ have addressed fierce academic harassment by academic cliques of Mie University, Kyoto University and the University of Tokyo to Dr. Shida and ‘chairperson.jp’ in Japan. Therefore, I ask for your continued understanding.”

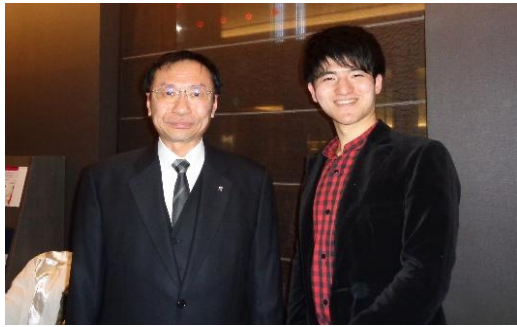

“His left hand becomes a weapon.”  
 Dr. Osamu Taguchi

「私の母校三重大学、そして京都大学、東京大学学閥の学者、研究は、Nobel 賞選考委員会、Sweden、Norway の皆さんの想定を超えた、醜（みにく）さ、えげつなさです。2018 年の Nobel 平和賞でも問題提起されました紛争国での不適切な男女関係、及び 2015 年 7 月 30 日に神戸地方裁判所で判決が出されました東京大学の Power Harassment、Sexual Harassment 事件と同様、人間性が問われる国立大学医師の勤務先における不適切な男女関係は、学閥の武器になります。[詳細は『Paper on October 17, 2015 (Paris University)』をご参照下さい] 日本では自治権が与えられてます国立大学の Rule は何でもありで、いわゆる『やったもの勝ち』です。すでに Stockholm、Oslo へは Academic Homepage 『chairperson.jp』上ご紹介済ですが、他人の家へ土足で上がられ、手を出し盗みに入られた三重大学 田口修教授もそう(?)です。三重大、京大、東大は、公式、非公式にご自身達の Academic Harassment は Myanmar (アウンサンスーチー国家顧問) を含む紛争国での迫害と同様、大学 Homepage でも認めてみませんが、三重大、京大、東大の学部出身者は、Academic Harassment を行い、大学、学会、各種委員会などの Post、研究費等を志田幸久医師より先に取りつてみえるのが現状です。そして Stockholm、Oslo において、京大、東大の学閥の学者へ Nobel 賞を出されることにより、結果的に志田医師に対する Academic Harassment が助長されています事は事実としてお伝えしておかなければなりません。『最も重要なのはなぜ (Academic Harassment に) 対応することが必要なのか、日本国民が理解することが必要』なのかもしれませんが、私立大学呼ばわり、凡才呼ばわり、不適切勤務呼ばわり、頭をガクッと落とす、溜息をつく、口笛をふくなど、三重大、京大、東大の学閥は、学者として汚い仕事を続けてみえます。[詳細は『Paper on May 30, 2015 (Japan Society for Medical Education)』をご参照下さい] 日本国政府 (官房長官: 菅義偉 国会議員) も、ミャンマー政府の迫害、日本で唯一の不正 (裏口) 入試専門の医学博士 (医師、学者) に対する三重大、京大、東大の学閥の Academic Harassment に対しては、消極的な対応です。

『Napoli 市内では、見知らぬ車が止まると 30 分でなくなります (盗まれます)』と 20 世紀に JALPACK (JAL Group 旅行会社) が観光客に解説してみえた Napoli について、『Italia Wine の帝王』Gaja Wine Maker 4 代目当主 Mr. Angelo Gaja は、『今は、Napoli も随分と良くなりました』と 2018 年 11 月 10 日話してみましたが、21 世紀も Italia 語が出来ない観光客の『Napoli Safari Tour』は続いている様です。総支配人、志田幸久医師並びに『chairperson.jp』は、日本における志田医師並びに『chairperson.jp』に対する三重大学、京都大学、東京大学学閥の激しい Academic Harassment に対応しています。今後ご理解いただければ幸いです。」
