Mr. James Murren  
Chairperson and CEO  
MGM Resorts International  
Las Vegas, USA

Dear Mr. Murren,

I stayed at the Group Hotel of the Caesars Entertainment and MGM Resorts International in Las Vegas this week. I appreciate your kindness in allowing me to stay at the Caesars Palace Hotel and Bellagio Hotel and to give a comment to you, as I did at Osaka University, on August 29 or 30, 2014.

Mr. Gary Loveman: Chairperson of the Caesars Entertainment (August 29, 2014)  
Mr. James Murren: Chairperson of the MGM Group International (August 30, 2014)

Dr. Shida provides an explanation to Mr. Murren

“I gave an additional comment to the Hay-Adams Hotel (Leading Hotels of the World) in Washington, D.C. on May 2, 2014. ‘Last Monday (April 28, 2014), a jazz pianist replied me, ‘I didn’t play ‘May Way’ ’ at the Park Hyatt Hotel Tokyo. My research ‘My Way’ which includes the life story of the University of Tokyo etc... may be too sweet for that jazz musician. Tonight, your hotel’s pianist plays ‘May Way’ and I hope that the United States Secretary of State, Senator John Kerry, will remember his word he gave in 2004, ‘we will end the backdoor draft of the National Guard and reservists.’ Unexpectedly, General Manager of the Hay-Adams Hotel, Mr. Hans Bruland ‘declined’ my request about the ‘Chairperson 20th Anniversary Treatise’ today (May 2), like Mr. Robert Mondavi’s family, Mr. Michael Mondavi canceled an invitation lunch for me at the Michael Mondavi Winery Napa Valley on Monday (May 5, 2014). Although it is well known that actress Whoopi Goldberg has been pressured from the White House, I believe that if the Hay-Adams Hotel touches our academic papers, the next-door hotel to the White House located in front of the church will feel the President’s policy (creed). ‘Thank you for the touch and feel.’ Chairperson, I have made business trips to major cities in the permanent member countries of Security Council from Tokyo (Waseda University) to introduce our study and had a chance to listen to my request song, ‘My Way’ at the Encore Hotel Las Vegas on May 14, 2011 during my last visit to Las Vegas. A Japanese Yellow Ribbon medalist (2005) chef, Mr. Mitsuo Shimamura said that most three-star Michelin chefs (Mr. Joël Robuchon...) are profit-oriented on December 2, 2008. However, one hundred professors of Osaka University and 40 general managers of the hotels in Las Vegas might think favorably, ‘There really was one? So Shida won his bet...’ ” [Dr. Shida resigned as the team doctor of the Japan Table Tennis Team in 1994 and started new research, the ‘Doping - Backdoor Theory’ in 1999, ‘Chairperson Cocktail’ in 2004 and ‘My Way’ in 2006. Mr. Steve Wynn left the Bellagio Hotel Las Vegas in 2000, and then made a comeback to his Wynn Hotel Las Vegas in 2005, Wynn Hotel Macau in 2006 and Encore Hotel Las Vegas in 2008.]
