Mr. Jose Angel Dominguez
Front Office Manager
Bristol Hotel
Geneva, Swiss

Dear Dominguez,

Thank you for your reply e-mail from Geneva. When I visit Geneva next time, I will enjoy a glass of the cocktail “Chairperson” and requested music “My Way” at the Piano Bar facing the street in front of the Bristol Hotel Geneva. The atmosphere of high-class (four- or five-star) hotels’ bars are usually different from that of the Japanese second- or third-class universities. The Asahi Shimbun (Japan) often doesn’t tell the name of the school Japanese Prime Minister Shinzo Abe graduated (second-class private university alumnus), different from Shinshu University (Japan) of Mr. Naoki Inose (near first-class public university alumnus), Governor of Tokyo, Tokyo Metropolitan Government. While Prime Minister Shinzo Abe is known for having advocated his economic policy “*Abenomics*” now, Dr. Noriko Hama, Professor of Doshisha University (near first-class private university, Kyoto) and famous Economist in Japan, calls it the “*Ahonomics* (Stupid Person’s Economic Policy)” straightforwardly. In fact, most graduates of Seikei University, Tokyo where Mr. Abe graduated from don’t have a brain to read the *Washington Post*.

Mr. Abe

Seikei University

Mr. Inose

Shinshu University

Dr. Hama

Doshisha University

Sincerely,
