

Dear Head Bartender of the “World’s Best Martini Bar,” Mr. Alessandro Palazzi

Question

Head Bartender. What is the difference between your cocktail, “Bond Martini” and numberless other cocktail “Martinis” around the world? Name, Image, Recipe, Concept, Atmosphere, or Background ...? And can we order your “Bond Martini” made by other bartenders at other bars?

We would like to request a short comment of the Head Bartender of the Duckes Bar in London which is known as the place the “Bond Martini” was born. Our cocktail “Chairperson” is the only one cocktail with the ultimate concept. Everybody can make the cocktail with any ingredients to suite one’s taste anytime and anywhere, like the “Chef of the Century,” Mr. Joël Robuchon and “World’s Best Chef,” Mr. Enrico Derflinger. Please enjoy your life, “My way.” There is a drink in front of humans, a fusion of the pinnacle of culture, Chairperson and the best medicine, alcohol with the image of “International, Congress, Leader, Intelligence, Elegance” as well as “Sun and Air.” It was invented by the Doctor and Chairperson of Sports in the fastest pace in history. The cocktail “Chairperson” has created another universe that is totally different from the cocktail “Olympic,” like the “Bond Martini” is different from other “Martinis.”
