Mr. Mauro Colagreco  
Owner Chef  
Restaurant Mirazur (No.1 Restaurant of the World's 50 Top Restaurants 2019)  
Menton, France

Dear Mr. Mauro COLAGRECO,

I am a Japanese doctor, Yukihsa SHIDA, an internal medicine physician in charge who provide medical care for 60 patients together with 40 staff members led by a head nurse on the 3rd floor of a convalescent hospital for the elderly (239 beds) in the Tokyo metropolitan area as M.D., Ph.D., Mie University, like other doctors working at other wards who graduated from Chiba National University and others. In addition, I work at another hospital in the same metropolitan area where doctors who graduated from Shinshu National University and others provide medical care for many patients as a periodic part-time internal medical physician.

**Dr. GINSBERG**

As you know, women have advanced into society noticeably in this century on a global scale centered on Europe and the U.S. If the role that is performed by the cocktail “Chairperson” is recognized as the top of culture free of barriers between men and women by people around the world thanks to its name, it is nothing but what Cocktail “Chairperson”, Chairman and Chairwoman truly desire as art works. Compared with achievements by Dr. Ruth Bader Ginsberg, Associate Justice of the U.S. Supreme Court, who has betted her life on activities to promote equality of women with men over many years both at home and in the global community and another American woman who came up with a term chairperson, what I have done in the world thus far is way too immature. When it comes to Japan, according to the Global Gender Gap Report released by the World Economic Forum on December 17, 2019, Japan ranks 121st among 153 countries and regions. I saw you on December 9, 2019 in Tokyo for the first time. It was a pity that you didn't hear about the cocktail “Chairperson” I created in Tokyo in 2004. (The owner of La Tour D'argent Paris said he knew the cocktail when I met him on July 14, 2007.) Unlike in Argentina, the country you are from, and France, the country you have your residence, I have been subjected to academic harassment from the University of Tokyo and Kyoto University, etc. and the Saitama Medical Association refused to post my profile on its academic journal. In addition, my academic homepage, “[chairperson.jp](http://chairperson.jp)” cannot be viewed on Yahoo! Japan (regarding the market share of search engines in Japan, Google has slightly fewer than 70% followed by Yahoo! Japan with slightly fewer than 30%) like it cannot be viewed on Bai du, the China's biggest search engine on January 6, 2020. In regards to academic harassment I wrote in a letter to Board of Directors (Paper on May 30, 2015 (Japan Society for Medical Education), the board has not replied to me yet and nothing has changed up to now.

It is a highly esteemed fact that the Nobel Prize was awarded to Professor Shinya YAMANAKA, Kyoto University for his studies on iPS cells in 2012. So his research has become high hopes for those patients who are waiting for organ transplants using iPS (Induced pluripotent stem) or ES (Embryonic stem) cells. And in 2019, another scientist who graduated from Kyoto University, which is known for its “free academic culture,” with a Master of Engineering degree earned the Nobel Prize as well. I am afraid that the academic harassment which was rampant at the university in the past, its free academic culture, will likely drag after Tokyo Olympic Games 2020 by Swedish people’s repeated assistance. As a result, two graduates of Waseda University were arrested as the ones who were responsible for backdoor admissions on July 4, 2018. As regards the scandal in the wake of irregularities in the entrance examination, college backdoor admissions and manipulated entrance exam results to exclude women involving Tokyo Medical University, which drew attention globally, scholars who didn’t publish papers, author books or engage in academic activities in the society on the backdoor entrance examinations for universities or sexual discrimination, before June 2018, doctors, lawyers, researchers, educators, critics, editorial writers, commentators, university-related people or cram schools or legal circles, journalists and others intruded into my area of specialty, i.e., irregularities (backdoor) in entrance examinations and activities on correcting gender discrimination in the sphere of academic activities. Let me warn that they will most likely continue to be introduced as experts who act as if they were specialists on irregularities (backdoor or gender discrimination) in entrance examinations at the private medical colleges in Japan in the academic world and by mass media in 2020 and beyond. Although they often say that they “Can enter,” “Change,” “Understand,” “Have a long history and tradition,” or “Become colleagues,” and have pride by saying, “We don’t hit the lowest point,” or “We aren’t the last,” they are neither called brilliant nor become doctors, lawyers, or qualified accountants. It is not uncommon that they have college education (not postgraduate college education).

On the other hand, I have treasured every meeting with chefs, bartenders, hotel managers, professors and ambassadors from various countries face-to-face and got the new year started without fulfilling my life ambition. In contrast to your splendid detailed knowledge of cuisine, I don’t have enough knowledge on cocktails. For that reason, it would be my great pleasure if professional bartenders including former head bartender at Savoy Hotel London and former chairman of the Nippon Bartenders Association could give me their continued guidance and assistance.

I have just finished working at the hospital in the Tokyo metropolitan area during the year-end and New Year holidays from December 30, 2019 and January 4, 2020 without problem. Prior to my business trip to Berlin from January 24 to 29, I went to see a Chinese performance by “Shen Yun” from New York today for the first and last time, on January 6, 2020. I neither presented a full-length paper at an academic conference nor wrote it in 2019, but papers on education on sports and medicine I have written since 1999 are posted on my academic homepage, chairman.jp. I understand that Restaurant Mirazur was recognized as the world’s No. 1 restaurant by the World’s 50 Best Restaurants on June 25, 2019, beating Restaurant Noma in Copenhagen. Japanese Prime Minister Shinzo ABE, who sent a letter to recommend that U.S. President Donald TRUMP be awarded the Nobel Peace Prize on behalf of Japan in February 2019, made contentious remarks unofficially to the South Korean MOON Jae-in Administration in the summer of 2019 to the effect that “If you can annul GSOMIA (General Security of Military Information Agreement), give it your worst shot !” (people around the Prime Minister) as the administration has been shaken by the issues associated with war-time laborers and comfort women. In the fall of 2019, after Chinese premier, LI Keqiang’s visit to Japan in the spring and half year before China’s General Secretary XI Jinping’s visit to Japan as a state guest, Chief Executive of Hong Kong, Carrie LAM CHENG Yuet-ngor encouraged her police to “Bite youths (rough demonstrators in Hong Kong) !,” indicating that conflicts will most likely be unceasing in the global community, including Asia, in the 21st century. Despite this state of affairs in the world, you own the Michelin three-star restaurant in Menton, France and I assume that you are hoping to continue to be active irrespective of national boundaries.

All Blacks

Finally, this is just an aside. The members of the All Blacks, a rugby team of New Zealand, who claimed two consecutive quadrennial World Cup titles in 2011 and 2015. Then they appeared in a Japanese variety show, wearing its uniform, with a margin during the pool stage at the World Cup 2019 in Tokyo on September 23, 2019. However, the team lost the semifinal game on October 26, 2019. It seems difficult even for the All Blacks to balance winning a game (abilities) and valuing their fans (popularity).

**“Brilliant”**

Dr. Shinya YAMANAKA and Kyoto University have been supported by the Japanese government and continued contributing to the transplant medical care in Japan. He likes running, listening to the music with earphones in Kyoto.

Owner Chef Mauro Colagreco 様

現在東京首都圏内療養型病院（239床）の3階病棟にて、他病棟を受け持ってみえる国立千葉大学などご出身の先生と同じく国立三重大学医学博士としまして、3F病棟看護師長以下40名のStaffと共に主治医として60人の高齢者を中心としました入院患者さんの診療に当たっています。その常勤勤務先病院以外にも、東京首都圏で定期非常勤の内科医師として国立信州大学などご出身の先生が診てみえる同じく数多くの患者さんの診療のお手伝いをさせていただいてます、日本人医師の志田幸久と申します。

Colagreco Chefがご存じの通り、今世紀欧米を始めとして地球的規模で女性の社会進出は目覚ましいものがありまして、その名前「Chairperson」より男女の垣根のない「Top of Culture」としての重要な役割を世界中の人に認識されれば、それこそがCocktail「Chairperson」、Chairman並びにChairwomanのArt作品が本望とするところです。しかしながら男女平等推進との面から、長年、米国そして国際社会で人生を賭した活動を讃えられてみえます米国最高裁判所判事Dr. Ruth Bader Ginsburg並びに英単語「chairperson」を創作された米国女性のお二人のご功績に比べ、私のこれまで世界で行ってきましたことは、まだ余りにも未熟です。日本におきましても、世界経済フォーラムが2019年12月17日発表した「男女格差報告書」によりますと、日本の順位は153か国中121位です。Colagreco Chefとは先月2019年12月9日東京で初めてお会いしましたが、残念ながら2004年に私が東京で創造しましたCocktail「Chairperson」は、Chefのお耳には届いていませんでした。（La Tour D'argent ParisのOwnerは、2007年7月14日にお会いしました時、ご存じでした。） Chefのご出身のArgentina、居住されるFranceなどと異なり、日本では東京大学、京都大学などから私へのAcademic Harassmentがなされ、過去埼玉県医師会では私の自己紹介文書の掲載が取り消され、私の学術Homepage「chairperson.jp」はYahoo! Japan（日本での検索シェアは、Google Japan 70%弱に次いでYahoo! Japan 30%弱）では、中国での検索最大手「百度」と同様、2020年1月6日現在閲覧不可です。日本医学教育学会へのLetter to Board of Directors(Paper on May 30, 2015 (Japan Society for Medical Education)へ記載しましたAcademic Harassmentにつきましても、学会理事会から何のご返事もなく、ほぼ変わっていません。

2012年山中伸弥 京都大学教授の iPS 細胞研究への Nobel 賞授与、仕事への高い評価は、iPS 細胞または ES 細胞を用いた臓器移植を待つ患者さんの輝く希望となって見えますが、昨年 2019 年にも「自由な学風」を前面に出されてます京都大学の卒業生、京都大学工学修士が Nobel 賞を受賞されまして、過去自由に行われてきています京都大学の Academic Harassment が、Sweden 国民の繰り返される一助によりまして本年 2020 年東京 Olympic year 以降もその自由な学風が引き継がれることと思われまます。その結果、2018 年 7 月 4 日に裏口入学実行犯として二人の早稲田大学卒業生が逮捕され、世界的に有名になりました東京医大の不正入試、裏口入試及び男女不平等入試についても、2018 年 6 月までに裏口入試、男女差別に関する論文発表、著書執筆、学術活動がほぼない学者、医師、弁護士、研究者、教育者、評論家、論説委員、解説者、大学、予備校関係者、法曹関係者、Journalist、コメンテーターが、私の学術専門領域の不正入試（裏口入試）及び学術活動領域の男女不平等是正に土足で上がってみえ、2020 年後も継続して学術界、Mass Media から専門家として紹介され、日本の私立医大の不正入試（裏口入試及び男女不平等入試等）について専門家のごとく振舞われることが想定されまして注意が必要です。「入（はい）れる」「変わる」「分かる（理解出来る）」「歴史、伝統がある」「仲間になる」などによく話され、「底ではない」「最後ではない」と Pride を持ってみえても、実際には秀才と言われず、医師、弁護士、公認会計士になってみえず、学歴が（大学院ではなく）大学まででみえたりすることが珍しくありません。

その一方、これまで世界で私が Face to Face でお会い出来ました、各国の Chef、Bartender、Hotel Manager、大学教授、大使などの皆さんとの一期一会を宝としまして、私志半ば東京 Olympic Year 2020 年まで来ることが出来ました。Chef の料理に対するご造詣とは対照的に、私 Cocktail に関しまして全く浅学非才の身ではございますが、Savoy Hotel London の（元）Head Bartender、日本 Bartender 協会（元）会長を始めとされます Professional の方々には今後も引き続きご指導いただければ幸いと念じています。

私 2019 年 12 月 30 日より 2020 年 1 月 4 日までの東京首都圏内病院での年末年始内科勤務を無事終え、また 1 月 24 日より 29 日までの Berlin 出張を控えまして、本日 2020 年 1 月 6 日、New York に拠点を構える神韻 (Syenyun) の世界ツアー日本公演を最初で最後、一度観てきました。私昨年 2019 年も学会発表、Full Paper 執筆共に Zero ではありますが、1999 年からの「Sports と医学の教育」につきましての研究、教育は、ほぼ全て学術 Homepage「chairperson.jp」で公開させていただいています。Restaurant Mirazur におかれましては、Copenhagen にあります Restaurant NOMA を抑えられ、2019 年 6 月 25 日 World's 50 Best Restaurants より、世界一の Restaurant として認定されました。2019 年夏には、日本を代表して Trump 大統領を 2019 年 2 月書簡で Nobel 平和賞に推薦された安倍晋三総理から、日本の徴用工問題、従軍慰安婦問題で揺れる韓国 文在寅政権に対して「GSOMIA の破棄を、やれるもんならやってみろ」（総理周辺）とけんか腰の非公式発言が飛び出し、本年 2020 年春の習近平国家主席の国賓としての来日約 1 年前、2019 年春に来日された李克強（り こっきょう）中国首相来日後の秋には、林鄭月娥（りんてい げつが）香港行政長官が香港の警察官に対して「若者ら（香港のデモ隊）を咬んでこい」と激励される程、Asia を含め 21 世紀も紛争が絶えない世界情勢ではありますが、Chef は Michelin の星も France の地元 Menton で三つ持ってみえまして、今後も引き続き国境のないご活躍が期待されていることと存じます。

最後に余談ですが、Rugby World Cup Japan 2019 で、2011 年、2015 年と 4 年に 1 度開催 Rugby World Cup 2 連覇の New Zealand、All Blacks は、2019 年東京開催の World Cup 予選リーグの試合途中で日本の TV バラエティー番組に Team の Uniform を着て出演され余裕を見せてみえましたが、2019 年 10 月 26 日 準決勝で敗退してしまいました。All Blacks といえども、本業（実力）と Fun Service（人気）の Balance を取られるのは難しい様です。
