Mr. Jeroen Werdmölder
General Manager
Waldorf Astoria Hotel
Amsterdam, Netherlands

Dear Mr. Werdmölder,

I stayed at the Waldorf Astoria Hotel Amsterdam on May 6, 2026. I sincerely appreciate your kindness in allowing me to stay at the hotel and in giving me the opportunity to provide you with my comments on May 7, 2026, as I previously did at Osaka University.

Mr. Jeroen Werdmölder : General Manager of the Waldorf Astoria Hotel Amsterdam (May 7, 2026)

Dr. Shida provides an explanation to Mr. Werdmölder

The Leading Hotels of the World 2026 Annual Gala Dinner (Dress Code: Black Tie) at The Okura Tokyo on February 14, 2026

On the night of February 14, 2026, I attended the Copa Ball, a prestigious black-tie gala held at the Copacabana Palace Hotel in Rio de Janeiro during the Carnival. Exactly one week later, on the evening of February 21, I had the honor of attending the Leading Hotels of the World 2026 Annual Gala Dinner at The Okura Tokyo. There, I had the pleasure of meeting and taking photographs with the General Managers of The Okura Hotel Tokyo, Halekulani Hotel Honolulu, and The Kahala Hotel Honolulu.

“I had the pleasure of refined greetings and photo opportunities, where proper decorum was maintained throughout.”

At The Leading Hotels of the World 2026 Annual Gala Dinner at The Okura Hotel Tokyo on February 14, 2026

Meanwhile, at a banquet hall in The Okura Tokyo, a man passed by me while rubbing the side of his nose with his finger. I thought to myself, *“What a fool,”* but when I took a closer look at his face, I realized it was Mr. Kazuhiko Yashima, the General Manager of the Imperial Hotel Tokyo (a member of The Leading Hotels of the World). On the same day, I also had the opportunity to speak with Ms. Reiko Sakata, the General Manager of the newly opened Imperial Hotel Kyoto (March 2026). During our several-minute conversation, she continuously touched her own body.

Just one week prior, at the Copa Ball, I encountered hundreds of guests in tuxedos and evening dresses and conversed with those at my table. Not a single person—including Miss Brazil Trans 2026—exhibited such behavior.

Both General Manager Yashima and General Manager Sakata appear to be mediocre individuals who lack the evidence of having overcome the rigorous hurdles required of true intellectuals; unfortunately, they have not mastered even the most basic manners of the upper class and the elite. Even if the new General Manager of a luxury hotel in Kyoto, where room rates start from approximately 150,000 yen (USD 1,000 at an exchange rate of roughly JPY 150 per U.S. dollar), is proficient in English, their manners are below those of the guests enjoying Afternoon Tea at The Ritz (London & Paris), Claridge’s in London, or attending the Copa Ball. It appears they do not know much about world-class establishments such as Le Pré Catelan (a Michelin three-star restaurant), where I had dinner in Paris on January 2, 2026. Their lack of experience is quite evident. [Reference: “Paper on November 2, 2020 (Kagaya Spa Hotel, Japan),” “Paper on August 23, 2023 (Thailand),” “Paper on January 1, 2024 (Keio University, Japan)” and “Paper on April 15, 2026 (The Netherlands)” on the academic website *chairperson.jp*]

I met Chef Frédéric Anton (right in the left photo), during his culinary fair at French restaurant Signature, Mandarin Oriental Tokyo on October 31, 2025. Subsequently, I visited his Michelin 3-star restaurant, Le Pré Catelan (right two photos), located in the Bois de Boulogne in Paris on January 2, 2026.

“They hardly seem fit to be the General Manager at the five-star Hotel in Tokyo and Kyoto.”

“Disgraceful! With such an academic deviation score (below 50), they are risky.”

「高級 Hotel の総支配人とは思えませんね。」

「ひどい。その偏差値 (<50) では危ない。」

Both general managers, left and right, “Persons devoid of both the intellect of a high-achiever and the innate talent of the elegant”

左の総支配人も右の総支配人も、「猛勉強した秀才と言われる頭がなく、上品と評される能力もない人物」

General Manager Kazuhiko YASHIMA

from Keio University (Tokyo)

八島和彦総支配人
(私立慶應義塾大学商学学士)

General Manager Reiko SAKATA

坂田玲子総支配人

However, it is not only the General Managers of the two Imperial Hotels who exude an air of vulgarity and lack of hygiene. I have observed similar traits in graduates of Waseda University whom I have encountered in the past, including staff at The Hyakugo Bank in my home prefecture of Mie, the Director of the Toranomon Law & Economy Office, and a Senior Commentator at Fuji TV. Even Mr. Masaru Watanabe, the General Manager of the Palace Hotel Tokyo (a member of The Leading Hotels of the World)—where President Trump stayed during his 2019 visit—spoke with me at a party at The Okura Tokyo while incessantly shaking his left leg as if possessed by a nervous habit. [Reference: “Paper on November 5, 2018 (Hyakugo Bank, Japan)” on the academic website *chairperson.jp*]

While Waseda University’s founding mission is the “fostering of model citizens,” many of its graduates frequently indulge in backbiting and veiled lewd remarks. Far from being “model citizens,” they appear to have become “unrefined and unhygienic citizens” who thoughtlessly touch their faces, noses, or ears, or twist and wriggle their legs in the presence of others. Furthermore, it is a breach of decorum for the mass media and others to portray such mediocre students and graduates as if they were brilliant.

Furthermore, in the field of medicine, while the faculty of the national University of Tokyo and the national Kyoto University are considered high-achievers, they frequently exhibit bizarre physical movements reminiscent of chickens or even perform amateurish whistling routines. For instance, at a seminar hosted by the Japan Medical Association in Tokyo on December 14, 2024, Associate Professor of national Okayama University, Dr. Soshi TAKAO (Ph.D. in Medicine from national Okayama University, Japan) and Part-time Lecturer Kenji MAEZONO (Juris Doctor «J.D.» from national Kyoto University, Lawyer and Director of Maezono Comprehensive Law Office) delivered a scholarly lecture regarding workplace mental health issues using elementary-level language, such as “*chatte*” and “*nacchau*” (equivalent to saying, “They went and got depressed” or “I went and gave them medicine”).

Similarly, during a web-based academic lecture on February 27, 2026, Professor Fumio OTSUKA (Ph.D. in Medicine from national Okayama University) of the Department of Internal Medicine at the national Okayama University repeatedly leaned his upper body significantly to the right from the viewer's perspective (to his own left), swaying like the Leaning Tower of Pisa while on screen.

“*Chatte*,” “*Chatte*.” “*Nacchau*”

At the hospital where I am a full-time physician in Saitama City, I observe the appalling, elementary-level medical standards of three mediocre doctors from private Tokyo Medical University. Their behavior is reprehensible: they engage in unhygienic acts such as piling trash on other doctors' desks, and they commit nuisances by shouting during pharmaceutical briefing sessions—much like the doctors and head nurses from private Dokkyo Medical University. I have also witnessed their vulgar and unsightly attitude, such as abruptly dropping their heads forward in a stupor. (These actions, equivalent to a “Red Card” offense, have been confirmed by the hospital administration and pharmaceutical companies). [Reference: “Statement on September 1 and 20, 2018 (Mass Media, World),” “Paper on October 3, 2025 (Indonesia)” and “Paper on March 26, 2026 (Four Seasons Hotel Tokyo)” on the academic website *chairperson.jp*]

Regarding the Japan Society for Medical Education, led by Chairman Hiroshi NISHIGORI, I have twice (on May 30, 2015, and September 17, 2025) submitted scholarly documents to the organization from the outside as a physician and scholar who was compelled to withdraw from the society. In Japan, I continue to observe many physicians who lack both physical and mental stability. On May 6, 2026, I enjoyed afternoon tea at the Waldorf Astoria Amsterdam at 4:00 PM, prior to attending the ISIS Fashion Awards 2026 for the first time later that evening. The fashion show was scheduled to commence at 7:00 PM, followed by a Black Tie gala starting at midnight. Looking ahead to next year, I plan to attend the New Year's Eve Countdown Party (Dress Code: Black Tie) at The Plaza New York on December 31, 2027, followed by afternoon tea on New Year's Day. For January 2, my itinerary includes a French dinner with wine pairing at the main dining room of the Waldorf Astoria New York. At each of these hotels and event venues, I sincerely hope to be in the company of refined individuals, away from any whose conduct is marked by vulgarity, malice, or instability.

ISIS Fashion Award in Amsterdam on May 6, 2026

This “ISIS” is named after the goddess Isis from ancient Egyptian mythology and has no connection whatsoever to any terrorist organizations. Unlike conventional fashion shows, this event distinguishes itself by pivoting away from apparel to place accessories—such as bags, hats, and jewelry—at its core. Founded by an individual of African descent, the event is a unique fashion experience set in Amsterdam. It draws upon cultural motifs symbolized by the ancient Egyptian goddess Isis and the aesthetic sensibilities of diverse regions, expressing the artistry of accessories through an original and sophisticated lens. この「ISIS」は、古代 Egypt 神話の女神である「Isis」に由来していきまして、Terrorist などの名称とは一切関係ありません。一般的な Fashion Show とは一線を画し、衣服ではなく Bag や帽子、Jewelry といった Accessory を主軸に据えています。創設者は Africa 出身でみえ、古代 Egypt の女神 Isis に象徴される文化的 Motif や、多様な地域の美意識を背景とし、Amsterdam を舞台に、小物の持つ芸術性を独自の視点で表現する Fashion Event です。

In fact, during a Teppanyaki dinner on April 24, 2026, at the Roppongi Hills Club (General Manager: Ms. Yuki Kigoro; an elite private club for millionaires with an estimated \$1 million in liquid assets), the chef addressed me with overly casual and inappropriate phrasing, such as “*Chatte*” and “*Daijoubu-desu-ka* (Are you OK)?” In response, I found it necessary to offer a stern caution: “This level of service is no different from that of three specific physicians at Tokyo Medical University, my current place of employment—individuals who possess neither the intellect of a hard-working prodigy nor the innate capacity for elegance. It is unacceptable for the Roppongi Hills Club to deliver such third-rate work, barely at the level of an elementary school student.” His performance at the teppanyaki counter was utterly devoid of professional decorum and lacked the refinement expected of one of Japan’s leading private clubs; it was truly a display unworthy of the Roppongi Hills Club. By the way, prior to Amsterdam, I stayed for two nights from May 3rd in Berlin, where club culture is thriving. I visited Berghain, which is said to have the strictest door policy in the world and where even the concierge at the Hotel Adlon Kempinski Berlin informs guests that “you cannot enter by dress code alone.” Although no queue was seen on the night of the 3rd, unfortunately, the result at the entrance was “Nice Try.” I heard stories from about ten Uber drivers inside their cars in Berlin, and it seems that Berghain often caters more to an “Uber driver style” rather than a “007 atmosphere” (!). On the other hand, at KitKatClub, famous as a fetish costume night club, I successfully passed the doorman’s scrutiny at the entrance on the night of the 4th. Regarding Insomnia, although I also passed the doorman’s check there, the club was effectively closed on the night of the 3rd due to a small number of guests. I am now looking forward to my “Next Try” at Insomnia and The Box in London.

“KitKat is about the outfit; Berghain is about the Uber?”

At the door with the bouncers, Berghain, Berlin. Late night, May 3, 2026.

2026年2月14日深夜、Copacabana Palace Hotel Rio de Janeiroにて開催のCopa Ball (Rio Carnival 期間中のBlack Tie Party)に参加しまして丁度1週間後の2月21日夜に、私 Hotel Okura 東京で Leading Hotels of the World の 2026年 Annual Gala Dinner Party (Black Tie)に出席しまして、Hotel Okura 東京、Halekulani Hotel Honolulu、Kahara Hotel Honolulu の総支配人とお会いし、写真を撮っていただきました。

一方 The Okura Hotel 東京の宴会場では、私の隣をご自身のお鼻左横を指でこすりながら、すれ違う男性がいらっしゃいました。私「どこのあほか」(関西弁)と思ってお顔を見直しましたところ、帝国 Hotel 東京 (Leading Hotels of the World) の八島和彦総支配人でした。またその日は2026年3月新規開業の帝国 Hotel 京都の坂田玲子総支配人とも会場内でお話させていただきましたが、坂田総支配人ご自身の体を手で触りながらの数分の会話でした。1週間前のCopa Ball では、何百人ものTuxedo、Evening Dress の Guest とすれ違い、同じ Table の Guest とお話させていただきましたが、Miss Brazil Trance 2026 も含めその様な Guest は一人もお見掛けしませんでした。八島総支配人、坂田総支配人共に難しい秀才の Hardle を超えたという Evidence は持ってみえない凡才で、残念ながら上流階級、Elite の最低限の Manner が身に付けてみえません。客室単価約15万円、京都の高級 Hotel の新総支配人で英語がお出来になっても、Manner は Copacabana Palace Hotel の Copa Ball、そして Ritz Hotel London & Paris、Claridge's Hotel London の Afternoon Tea の Guest 以下でいらっしゃいまして、私が今年のお正月2026年1月2日に Paris で Dinner をいただきました Le Pré Catelan (Michelin 3つ星) の様な一流 Restaurant を余りご存じなく、経験の少なさが露呈していらっしゃるご様子です。

八島総支配人と坂田総支配人の母校、私立慶應義塾大学学閥は、21世紀、慶應大学の凡才学生、凡才卒業生を秀才の様な言い方、書き方をしてみえ、結果として私を含む日本人が不利益を被っています。昔 慶應義塾大学出身の小泉純一郎氏が、確か総理大臣としての国会答弁で、「能力がある人材は、採り上げるべきだ」と主張されてましたが、秀才と言われる頭がなく、上品と評されない能力のない慶應 Boy、慶應 Girl を、日頃秀才で能力がある様な言い方、書き方をされ、慶應義塾大学学閥による Hotel 総支配人 Post への押し売りでは如何なものでしょう。結果として上流階級、Elite が集う Dinner Party にて、秀才の様な言い方をする凡才顔で、下品、不潔な雰囲気を漂わせ、2025年来日時に Trump 大統領が宿泊されました The Okura Hotel 東京の宴会場を Tuxedo 姿で歩いてみえました。私から日本 Hotel 協会にお送りしました2022年10月5日付学術文書も、全く理解出来てみえない凡才の総支配人お二人でいらっしゃいまして、猛勉強した秀才と言われる頭も、上品と評される能力もおありになりません。

最も、下品で不潔感漂って見えるのは両 帝国 Hotel 総支配人だけではなく、私が過去にお会いしました私立早稲田大学の卒業生でみえる地元三重県の百五銀行銀行員や虎ノ門法律経済事務所・所長、そして Fuji TV 局 解説委員も同様です。2019年来日時の Trump 大統領の宿泊先 Palace Hotel 東京 (Leading Hotels of the World) の渡部勝総支配人も、The Okura Hotel 東京の Party 会場では、同日ご自身の左足を貧乏ゆすりの様に動かしながら、私とお話いただきました。早稲田大学では「模範国民の造就」を教旨とされていますが、卒業生の多くは、日常悪口と暗に下ネタが多く、模範国民とは対照的に「下品で不潔な感じの国民」になってみえ、人前でご自身のお鼻や耳などお顔を触ったり、足をくねくねと動かしたりなさいます。Mass Media を含め、凡才学生、凡才卒業生を、秀才の様な書き方、言い方をしてみえるのも Rule 違反です。

また医学の領域におきましても、国立東京大学並びに国立京都大学の教授陣は秀才でみえる一方、しばしば鶏の様な身体活動や下手な口笛の演奏活動を披露され、2024年12月14日日本医師会主催・東京開催研修会での岡山大学 高尾健司准教授（医師、国立岡山大学医学博士）は、前園健司非常勤講師（弁護士、前園法律事務所・所長、国立京都大学法務博士）と共に、職場の Mental 不調者について「ちゃって」「なっちゃう」と、小学生 Level で学術講演をされました。（「うつ病になっちゃった」「薬出しちゃった」程度の Method です）2026年2月27日開催 Web 学術講演会演者の国立岡山大学内科 大塚文男教授（医師、国立岡山大学医学博士）も、画面講演中にご自身の上半身が Pisa の斜塔の様に大きく傾かれ、見た目右側（ご自身の左側）へ大きく揺れてみえました。またさいたま市内の私の常勤病院では、私立東京医大からみえてます3名の凡才医師が、病院内で、他の医師の机の上に山の様にゴミを置かれる不潔行為、製薬会社主催薬剤説明会において私立獨協医大の医師、看護師長と同じく進行中に大声を出して騒ぐ迷惑行為、目の前で頭をガクッと落とす下品で醜い態度など、やはり日頃小学生 Level のお寒い医療を拝見しています。（常勤病院事務方、製薬会社確認済にて、Red Card に匹敵します）

なお錦織宏理事長を始めとされます日本医学教育学会の先生方には、2015年5月30日と2025年9月17日の2回、やむを得ず学会を退会しました医師、学者として、学会の外から学会組織へ学術文書をお送りしてしまして、日本では、心身共に安定感がおありにならない医師も数多く拝見していますところ です。

General Manager、2026年5月6日は、午後3時 Waldorf Astoria Amsterdam で Afternoon Tea をいただいてから、ISIS Fashion Award 2026 会場（Amsterdam 市）に向かいます。午後6時に Fashion Show が始まりまして、深夜12時から Black Tie の Party です。また来年2027年12月31日には The Plaza New York で Count Down Party (Dress Code: Black Tie)に参加しまして、翌元旦に Afternoon Tea を楽しみます。そして1月2日は、Waldorf Astoria New York の Main Dining で Wine Paring French Dinner の日程ですが、それぞれの Hotel、Party 会場では、「悪口と下ネタが多く、下品で不潔感漂う心身が不安定な日本人」をお見掛けしないことを、期待していますところ です。

実際2026年4月24日、鉄板焼 Dinner をいただきました六本木 Hills Club（木頃由紀総支配人、およそ金融資産100万ドルの富裕層が集う一流会員制 Club）では、Chef が私に対して「ちゃって」「大丈夫ですか」との対応でしたため、「これでは、猛勉強した秀才と言われる頭がなく、上品と評される能力もない、私の常勤勤務先の私立東京医大の3名の医師と変わりません。六本木 Hills Club が、小学生 Level の三流の仕事では困ります。」とご注意させていただきました。鉄板焼の Counter で、日本を代表する会員制 Club のひとつ、六本木 Hills Club らしからぬ品のない仕事をされました。

ところで、Amsterdam に先立って5月3日から2泊滞在しました Club 文化が盛んな Berlin では、世界一 Door Policy が厳しいとされ、Kempinski Adlon Hotel Berlin の Concierge も「Dress Code だけでは入れません」と案内される Berghain Club Berlin に3日夜出向きまして、行列はみられなかった一方、残念ながら Entrance で「Nice Try」の結果でした。Berlin では約10人の Uber Driver から車内でお話を伺いましたが、どうも Berghain Club Berlin は「007 の雰囲気」（?!）より「Uber driver の Style」の方が、しばしばその場の空気感に合致する様です。他方、Fetish Costume の Night Club として有名な KitkatClub Berlin は、4日夜無事 Entrance の Doorman・Check を通過しまして、今回 Entrance の Dress Code は Pass しましたものの、3日夜は Guest が少なく Close になってしまいました Insomnia Club Berlin や The Box Club London への「Next Try」を楽しみにしていますところ です。
